THE FACE OF AUDIOLOGY AND HEARING AIDS

Linda A. Oliver, AuD

Oliver Audiology & Hearing Aid Services

DR. LINDA OLIVER HAS DEDICATED herself to lifelong learning and improvement in audiology, resulting

in excellent patient-centered care. She founded her private practice in 1996 to better align with her desire to provide the highest-quality patient care and service. In the years since, her practice has become the benchmark for compassionate hearing health care using the latest technology and expertise. Trained and headed by Dr. Oliver, the team at Oliver Audiology is committed to one common goal: helping people achieve a higher quality of life through better hearing. Always on the leading edge, Dr. Oliver is the first hearing care provider in San Diego to use 3D digital ear scanning technology. It's part of the best practices model that drives everything she and her team do to help people hear the best they possibly can.
